HOW MUCH?

Journeymen Wrestling Club is a non-profit organization; therefore, monies raised by collecting membership fees help finance the operation of the club – paying world-level coaches, apparel, facility costs, and offsetting entry fees for competitions. QUESTIONS AND CORRESPONDENCE

E-mail is the most practical way to communicate; therefore, please make sure that your e-mail address is included and legible on the application. Also, we use the TEAMSAPP to send group text messages. It is imperative that both the parents' and the athlete's numbers are in this system. Finally, sign up on our Journeymen Wrestling facebook page and twitter handle – @jmenwrestling. If a practice is cancelled or a time change is contemplated, we'll inform you through one of these formats.

CAPACITY

For years, our philosophy was to not turn any athlete away. Although this inclusiveness has paid some handsome dividends over the past 20+ years, it has also produced some space issues. We now strictly limit the allowable members to 100...no more than that. This makes it the leanest the club has ever been. We feel that the limits offer exclusiveness and more one-on-one attention.

ELIGIBILITY

Who's in, who's not? Wrestlers from 8th to 12th grade are welcome and encouraged to apply. Adults and post grads are also welcome to join, but they must have a signed waiver and comprehensive health insurance in place. (Photo copy of insurance card required). 7th and 8th graders are also eligible for our Mini Men program. We assess each athlete to determine what the best fit is.

Only apply if you are seriously committed to improving yourself. We're looking for athletes who will truly commit to wrestling off-season.

INSURANCE

All members are responsible to secure their own secondary insurance. Journeymen Wrestling does not provide accident and health insurance coverage. You must provide proof of this secondary coverage before you are allowed to wrestle in the club. Since Journeymen Wrestling Club is a sanctioned club with USA Wrestling and NYWAY, athletes can secure coverage via USA Wrestling or NYWAY.

USA Wrestling - <https://www.usawmembership.com>
NYWAY - <http://www.nyway.org>

Please be mindful that this is not included in your tuition. Furthermore, this coverage is a secondary insurance plan, but is mandatory for all participants nonetheless.
